

Childhood Immunization Fees

ADMINISTRATION FEES for Children 0-18 years

INSURED OR MEDICAID CHILDREN

First Vaccine.....\$34.00
Additional Vaccines.....\$20.00

For your convenience, we will bill your insurance for the administration fees.

EIPH is NOT a PPO provider for all insurance carriers. It is recommended that clients check with their insurance provider regarding their specific coverage.

VFC-ELIGIBLE CHILDREN

Vaccine for Children (VFC)-eligible children include those who are:

- Medicaid eligible
- Uninsured
- American Indian or Alaska Native
- Underinsured (a child who has private health insurance but the coverage does not include vaccines or covers only selected vaccines)

Each Vaccine.....\$14.00

No more than four vaccines will be charged. VFC fees limited by Federal law.
